

The background image shows the interior of a car, likely a van, converted into a living space. A bed with a blue blanket is visible in the back seat area. There are various items of clothing and bags scattered around, including a red bag and a blue bag. The car's interior is light-colored, and the windows are visible on the sides.

**Are you a  
homeless, single  
woman living in your car?  
Need a safe, secure place to  
park with access to hygiene  
facilities? Able to pass a  
background check?**
